### **ADRODDIAD Y LLYWODRAETHWYR AM Y FLWYDDYN ACADEMAIDD 2016/2017**

#### Rhagair gan Gadeirydd y Corff Llywodraethol

Mae'n bleser gennyf gyflwyno Adroddiad Blynyddol y Corff Llywodraethol am y flwyddyn 2016-2017.

Mae'r adroddiad eleni eto yn adlewyrchu blwyddyn brysur gyda llawer o weithgareddau a datblygiadau wedi cymryd lle.

Er nifer o newidiadau o ran gofynion y cwricwlwm a strwythurau asesu mae ein diolch yn fawr i'r holl staff am sicrhau bod ein safonau yn dal yn gadarn ac mae lle i ganmol yn arbennig ein canlyniadau lefel A a TGAU. Eleni cynhaliwyd safonau uchel mewn blwyddyn o newid mawr mewn asesiadau TGAU a Lefel A. Cynhelir safonau uchel drwy gynllunio gofalus, ymlaen llaw a llwyddo i oroesi blwyddyn arall heb doriadau a fyddai yn effeithio ar ein safonau a'r cwricwlwm.

Ysgol Gymunedol yw Ysgol Dyffryn Conwy ac rydym yn gwerthfawrogi ein partneriaethau gydag ysgolion cynradd lleol. Gwelwn werth hefyd ein cysylltiadau gyda chymunedau a chwmnïau lleol. Mae nifer o'n staff yn parhau i gydweithio gydag ysgolion uwchradd eraill ac yn hyfforddi eu staff. Mae hyn yn adlewyrchu'r gwaith da a blaengar sy'n mynd ymlaen yn ein hysgol. Mae'r ysgol yn ysgol arweiniol ar gyfer maes Ieithoedd, Llythrennedd a Chyfathrebu ar gyfer y cwricwlwm newydd yn sgil ein hastudiaeth arfer dda mewn llythrennedd a rhifedd gan GwE a Llywodraeth Cymru.

Gwerthfawrogwn y cysylltiadau a'r bartneriaeth gyda rhieni/gwarcheidwaid a diolch i chi am eich cefnogaeth yn ystod y flwyddyn.

Huw Roberts  
Cadeirydd y Corff Llywodraethol

# ***GOVERNORS' REPORT FOR THE ACADEMIC YEAR 2016/2017***

### Foreword by Chair of Governors

I am pleased to present the Annual Report of the Governing Body for 2016-2017.

Once again, the report reflects a busy year that included many activities and developments.

Despite a number of changes relating to curricular requirements and assessment structures, we are very grateful to all the staff for ensuring that our standards remain high, and praise is due, in particular, for sustaining our strong GCSE and A level results. It is satisfying to note that the school, through careful forward planning, has survived another year without having to make cuts that would have affected our standards and the curriculum.

Ysgol Dyffryn Conwy is a Community School and we value our partnerships with local primary schools. We also value our links with local communities and businesses. A number of our staff are now working with other secondary schools on staff training. This reflects the good and innovative work that is taking place in our school. The school has been made a lead school for Language, Literature and Communication following its good practice in literacy and numeracy case study last year.

We value our links and partnership with parents/guardians and thank you for your support during the year.

Huw Roberts  
Chair of the Governing Body

## **SCHOOL PROVISION FOR SPORT**

*The school competes against other educational establishments in football, rugby, netball, hockey, golf, athletics, cricket, dance and swimming and individuals have represented the school in other areas. Please see school website for pictures and results ([ysgoldyffrynconwy.org](http://ysgoldyffrynconwy.org)). Rugby and skiing trips abroad are arranged regularly and the school works closely with local sports clubs and outdoor pursuits centres. The school has full access to the resources in the Leisure Centre. The school takes advantage of projects such as school community sports and we encourage as many children as possible from the primary sector to join our pupils in training sessions after school.*

*The Physical Education Department, along with our extracurricular activities officer and our rugby development officer (in partnership with Nant Conwy Rugby Club and the WRU) organise activities for lunch time and after school. The activities are arranged through consultation with our pupils particularly our Sports Council and Young Ambassadors, many of whom run a number of these activities.*

## SCHOOL DEVELOPMENT PLAN 2016 – 2019 (September 2016)

**Our Aim: Developing Ambitious and capable learners ready to learn throughout their lives.**

**Following a review of the first year of our 3 year strategic plan we have adapted our detailed plan for 2017/18 as below:**

### **Strategic Priorities 2017 - 2020**

1. Continue to maintain and raise standards with particular attention to performance in the higher grades - A\* - A / A\* -B / A\* -C (GCSE and A level) and higher levels (level 6 + / 7 + to 8 / PE - CA3); deepen and develop our response to new GCSEs and A levels following completion of detailed analysis of the 2017 results and onwards; purposeful planning and careful monitoring of pupils' progress against their individual targets and the school against new targets following on from 2017 results.
2. Continue to ensure high quality learning, teaching and assessment by: developing pupils' learning and thinking skills (Growth Mindset, Behavior for Learning, 'Mindfulness'); Ensure consistency, development and sharing of good practice in teaching (OTP, the development of specialities, ensuring continuous learning experiences for staff throughout their time in the school, and also their teaching/management responsibilities; Assessment for Learning - focus on quality feedback); continue to empower learning and performance management arrangements and self-evaluation of learning and teaching;
3. Continue to respond to Curriculum for Life and Successful Futures by: developing an in-depth response at departmental and whole-school level to specific aspects of the 4 purposes; continue to pay particular attention to Literacy and Numeracy and develop our response to ICT and the Digital Competence Framework; develop staff capacity and specialties towards the Areas of Learning and Experience and developing our role as a Lead School (AL&E Languages and Humanities Champions, Science-Technology, Health and Wellbeing and Expressive Arts); Ensuring quality professional learning opportunities for our staff in responding to the Successful Future and the school's journey.
4. Continue to develop the school through strategic partnerships (Catchment Area, YGC / YYC, Innovation, Parents and the Community)
