

Hwb

Digital Learning for Wales

Hwb is the digital learning platform for Wales.
It enables learners and teachers in Wales to access centrally funded digital classroom resources and tools anywhere, at any time, from any device.

Resources

Hwb hosts tens of thousands of bilingual resources that can be used to support teaching and learning.

Hwb Classes

Teachers can easily create Classes for learners to join and interact with one another in a safe collaborative area.

Just2easy

An entire suite of creative and flexible online tools for pupils from Foundation Phase to Key Stage 3.

j2e

Hwb+

Hwb+

An individual learning platform for every school, containing tools such as document, picture and video libraries, surveys, discussions, blogs and wikis.

Playlists

A tool for users to gather multimedia resources from their files and the web to create a Playlist. Teachers can add quiz questions and issue them as assignments for learners to complete at home.

Office 365

Hwb users are provided with an Office 365 account which gives them access to Microsoft Office tools, including e-mail, through any internet browser.

Office 365

Online Safety

The Online Safety Zone is where you'll find the latest news, resources and events on online safety. There are resources aimed specifically at parents and carers which provide advice on handling gaming, screen time, social media and lots more.

Encyclopaedia Britannica

Encyclopaedia Britannica offers access to thousands of professionally researched articles, images, videos and audio clips in a safe, online environment.
