- Cynllun gan y Llywodraeth i geisio annog ysgolion i fod yn fwy eco-gyfeillgar
- Cais i newid meddwl plant am yr amgylchedd a'r ddaear

## BETH YDYM YN EI WNEUD GYDA CHYNLLUN ECO-SGOLION?

**Yn y cynllun Eco-Sgolion rydym yn gwneud y mathau yma o weithgareddau:**

- Gwneud arolygon o'r ysgol o ble mae'r biniau a ble mae'r sbwriel
- Trafod gyda Sodexo ynghylch sut y gallem leihau faint o drydan rydym yn eu defnyddio
- Annog plant ac athrawon i leihau eu defnydd o drydan drwy droi eu cyfrifiaduron a goleuadau drwy eu diffodd pan mae'r ystafelloedd yn wag
- Cyfarfod yn rheolaidd i fonitro ein cynnydd a gweld beth arall sydd angen ei wneud i wella'r ysgol

## LLWYDDIANT YSGOL DYFFRYN CONWY

Yn 2017 bu'r Cyngor Eco, dan arweiniad Mrs Anna Roberts yn brysur iawn yn eu ymgyrchoedd o amgylch yr ysgol gan gynnwys eu ymgyrch casglu sbwriel diweddar. Mae eu gwaith wedi arwain at nifer o welliannau a lleihad yn y sbwriel o amgylch safle yr ysgol a thu hwnt. Mae llwyddiant eu gwaith bellach wedi cael ei gydnabod yn ystod ymwelliad diweddar gan Catrin Hughes, o ymgyrch 'Cadw Cymru'n Daclus' i asesu cynnydd yr ysgol tuag at y Wobr Faner Werdd. Roedd canmoliaeth i waith y criw a llwyddiant eu ymgyrchoedd yn ystod yr ymwelliad a rydym bellach wedi derbyn y Wobr yn swyddogol!
