

INFORMATION FOR LEARNERS

20 May 2021

Dear Learner

Learner Guide to 2021 Qualifications

Here is a [guide to 2021 qualifications – all you need to know](#), to tell you more about the arrangements for GCSE, AS and A level and vocational qualifications this year.

The appeals process

This week we shared information with your school or college about the appeals process and how it will work this year. There is some information about the appeals process in the Learner Guide, and we will issue more detailed guidance next week.

Do you want to know more?

We publish updates on our [website](#) as well as regularly posting lots of useful information on our Facebook and Twitter feeds and our recently launched Instagram page.

Have Your Say.

We would like to hear what you think about the assessment process for awarding grades this year, and we have a '[Have Your Say](#)' survey so we can understand your views. The survey will help us improve our communications for learners and will close on 6th June.

If you have any questions, you can email us at communications@qualificationswales.org.

Yours sincerely
